Ink Style Recorder Charts

Standard Charts:
 Contact Customer Service for available chart ranges & rotations: [DR Available Chart Listing.pdf](#)

New or Special Order Ink Style Chart Ranges:
 Typical Engineering & Setup Charges: \$300*
 Minimum Order of charts: 10 boxes

*applies to single & dual range charts that share the same increments. Add \$100 Setup charge for dual range charts requiring separate division increments.

Notes:

- Inputs #1 & 2 for both the ink recorder models share a common ground; isolated sensors are required (t/c inputs use ungrounded junctions)
- Ink Recorder Optional Battery Backup provides up to 48 hours of continuous recording on ink style recorders without display.
[Non-cataloged options - click here](#)
 - Private Branding, Low Voltage power input, Transmitter Power Supply, 0-1VDC process input, special chart rotation, buzzers, etc.

UL & CE: The one & two pen Ink recorders are UL & CE. Certain non-catalog options do not allow for UL label.
